We will have many typical Romanian meals with meat because all the products served are from farms and households in the area. Also, it will be permitted to consume alcoholic drinks in your free time (with moderation) and bring some alcoholic drinks from your countries for the national evenings.

What to prepare or bring with you?

1. All your travel documents as presented above (e-ticket, invoice, prove of payment, boarding passes).

It is recommended that the participants will make a health insurance for the period of the project, although the cost for insurance can't be reimbursed. Romania is an EU member state, so the cost of health insurance is quite low.

2. Typical food and drinks from your countries! We will have traditional evenings during the project and basically every evening will belong to a different country. Unfortunately we don't have budget to reimburse you the expenses made for the things that you are bringing, but try to be creative and funny! You can bring typical costumes, ornaments, leaflets, posters, flyers, food, sweets, alcoholic and non-alcoholic drinks... and so on!. Also, you can show videos, photos, sing and dance traditional dances from your countries! We are counting on you to make these evenings as interesting as possible and promise to help you in any way that we can!!!

3. Clothes: The weather in September is moderate, sometimes are over 30C, but we recommend to have parkas – during the night there are around 10C.

4. Information about your organization and activities. We want to get to know each other, to find out how people work with youth in other countries, and maybe to cooperate in the future.

5. Good spirit, joy and happiness!!!
