REIMBURSEMENT

INFO-PACK

Please keep all your tickets, boarding passes, invoices and any receipts (even if it does not seem important), do not throw away anything!

Hungarian means of transports (airport public transport to the city center HUF 1500) can only be reimbursed if you have an invoice and the ticket as well. When you go to the cashier please ask “áfás számla” and invoice that shows VAT for the name and address of MOSTart NKKE 2344 Dömsöd, Wesselényi u. 15.

Our tax nr: 18713044-1-13

Taxi will not be reimbursed.

According to the Hungarian rules, all the companies are obliged to issue an invoice.

Unfortunately, not all the ticket officers speak in English, so better if you write down ÁFÁS SZÁMLA (= VAT invoice). Nyugta (Bill) is not equal with Számla. So if you see nyugta on the slip of paper you received, it will not be reimbursed. Then go back to the cashier and ask for SZÁMLA /Invoice. For all the tickets you buy in Hungary you should ask an invoice for the following name:

MOSTart NKKE 2344 Dömsöd Wesselényi u. 15.
18713044-1-13

Better to note these data or keep with you printed this page.

Insurance is obligatory and should be arranged and covered by each participant and will not be reimbursed.

!! Important: Consult the organizers before buying tickets. Only ticket options approved by the organizers will be reimbursed.

We are looking forward to unfold this project with you!

Warm greetings from the project team,
